50 Top Dog Names For Westie Owners

Dog Names

You are going to get a Westie. The decision is now definite. You have done all the due research:

- Like checking out the breeders.
- Questions to ask the breeder
- Health issues
- Insurance
- Talked to other Westie Owners

are now waiting to see the pups so that you can pick one.

Then it suddenly dawns. What are you going to call the puppy? It could be a male or female.

I hope the following report which details the top 50 names (male and female) will help you in making the final piece of the jigsaw.

Tips On Naming Your Westie.

Your westie is going to be part of your family and in respect deserves a decent name. Not "Hi There" or "I'm going to kill you" (Sorry if you have these names already for your kids), You have to think of a name that you would be proud to call in the park or introduce your westie to other dog owners.

The study of names has a name as well - onomastics.

"It may seem silly to get into discussing pet names, but it tells you a lot," said onomastician Leonard Ashley, an English professor at Brooklyn College. "It's not trivia. It's human behavior. Mankind names things - and names show the psychology behind it all."

Now lets get down to finding names for your Westie.
